Welcome to the App Store Small Business Program

Dear Michael,

We're pleased to welcome you to the App Store Small Business Program. The commission rate on your paid apps and in-app purchases is now 15%, so you can invest more resources into your

business to continue building quality apps that customers love.

Please keep in mind:

- If your proceeds surpass the 1 million USD threshold in the current calendar year, you will no longer be eligible for the program and the standard commission rate will apply to your future sales.
- If you initiate or accept an app transfer, the proceeds for the calendar year will be associated with all accounts that initiate or accept the transfer of that app.

For details, see the Paid Applications Agreement in [App Store Connect](#). If you have any questions, [contact us](#).

Best regards,
